Service and Repair Form

Return your complete reel with any extra spools. You may leave the line on. Pack it securely in a box and ship it to the address above. We recommend insuring your package. Please include a return shipping address and indicate if a signature is required for delivery. Include an email address for return tracking information. The shipment must include this completed form for each reel/x-spool. A check, money order or Visa/MC number must be enclosed for charges. You may phone in your credit card information. The normal service turn around time is two to five shop days. If needed sooner, call or email prior to shipment arrival.
